D A G A  
I honestly don't know how I survived

I'm here to celebrate another year of you

Verse 2

D A G A  
Happy birthday, happy birthday  
D A G A  
I wanted you here in the worst way  
D A G A  
Your birthday's a day I'll never forget  
D A G A  
'Cause it was the first day we both met  
D A G A  
And on that day one thing was clear  
D A G A  
The world got better once you got here  
D A G A  
And even though my memory is particularly sound  
D A G A  
I don't remember life before you were around

Chorus

D G A  
I'm here to celebrate another year of you  
D G A  
'Cause every day you're with me is a dream come true  
D G A  
And if you weren't around I don't know what I'd do  
Bm G A  
So happy birthday to you
